118th Annual Meeting
Sunday, November 3, 2019
2:00 p.m. at the museum

“Prohibition: A Grand Misadventure”

by David Jones

Members and guests are invited to attend the 118th Annual Meeting. A short business meeting will begin the afternoon at 2:00 p.m. followed by our speaker, David Jones. His topic “Prohibition: A Grand Misadventure” is timely as the United States remembers 100 years ago when prohibition became the law of the land. In 1920, the United States entered a period in history during which the manufacture, sale and transportation of intoxicating liquors was banned. As it turned out, the U.S. also entered a period of lawlessness and corruption, unequalled in its history. Rather than curing the ills of society, Prohibition is remembered for creating some of the worst possible results – thus, this period is known as one of the greatest misadventures ever. Our featured speaker, David Jones, who now resides in Minneapolis, is a native of St. Peter and a graduate of Gustavus Adolphus College. David is an accomplished speaker who enjoys sharing his research on various topics with local schools and civic organizations.

Refreshments provided include sandwiches, homemade bars and coffee. Don't forget...there will be door prizes! Members and prospective members are invited to attend.

New Ornament Arriving in November

The museum started an ornament series six years ago featuring historic sites in Cottonwood County. The first ornament featured the Cottonwood County Courthouse which was built in 1904. The second ornament showcased the Westbrook Depot, which is now part of the Westbrook Heritage House Museum and has been on the National Register since 1986. Our third ornament is a site well known in the county—The Jeffers Petroglyphs. It has the largest concentration of Indian carvings in Minnesota and was placed on the National Register in 1970. Our fourth ornament took us to Mountain Lake where we highlighted the original section of the 1904 Mountain Lake Public School. Our fifth ornament was the Storden Bank, one of the oldest continuous running businesses in Storden. This year we look to Pat's Grove and the Stone house. With the 2019 upgrades of a new roof and tuck pointing, it seemed fitting to celebrate these improvements. Check them out...they make great Christmas gifts!

In the Remick Gallery

Historic Opening

Lines to get into the museum! Lines to purchase a special edition print! Lines to sign the guest book! Lines to eat! Aaron Horkey and his show brought over 300 people to the museum for a record breaking day. The line-up outside the museum door started before 11:00 a.m. and continued to grow before the doors opened at 2:00 p.m. Guests came from Arizona, Texas, Illinois, New Jersey, Utah, North Carolina, Colorado, and California along with many from Minneapolis and surrounding suburbs. When asked why they came from such a distance the answers from many were “to meet Aaron”, “to see nine years of Horkey history”, “to purchase the print released at the opening” and “to see where Aaron grew up”. Thanks to Aaron for coming back to Windom and sharing his art work with his hometown.
